

## Career Pathways Project Details

**First, get your resume template or sample-**

According to a 2011 report on TopTenReviews.com the top 7 resume and job search sites of 2011 were:

[Monster.com](#)    [EmploymentGuide.com](#)    [Jobs.com](#)    [4Jobs.com](#)    [SnagAJob.com](#)

[Yahoo! Careers](#)    [CareerBuilder.com](#)

### **Hint!**

Look up sample resumes for the career you want. This way you know what expected. Then research the "pathways" you could take to be qualified for this career position.

Research education, training, seminars or conferences, committees and groups that would help you be qualified and excel in this job position. Read **RESEARCH TIPS** for tips on how to start and organize this research.

### **Next, Compare the 2 Resumes**

By comparing your real life current resume and your ideal resume, guess what you have?

### **A career map!**

Your Advisor will discuss the possible paths to get you from your starting point to your destination.

**"I've missed more than 9,000 shots in my career. I've lost almost 300 games. 26 times, I've been trusted to take the game winning shot and missed. I've failed over and over and over again in my life. And that is why I succeed.**
